

### **Inmagic *Content Server* v1.30 Service Pack 2**

Purpose: To resolve the error encountered when running *Content Server* v1.3 Workstation Setup on Windows 2003 [SPRID 1116]

When trying to run Workstation Setup on Windows 2003, you will get the following error:

MDAC 2.7 cannot be installed on this machine. MDAC 2.7 requires any one of the following configurations:

-Windows 98 with the Y2K Update and IE 4.01 SP2 or later -Windows 98 Second Edition -Windows Millennium -NT 4 SP5 (or greater) -Windows 2000

Setup will exit now. Please restart the Setup after installing the necessary updates to this machine.

To install the *Content Server* v1.30 Service Pack 2

1. Click the CSWS130\_SP2.ZIP link to download the service pack, and then use WinZip to extract it.
2. Copy all files within this zip file to your Content Server directory, overwriting as necessary.
3. After files have been copied to the Content Server directory, you can run Workstation Setup on any Windows 2003 machine.

If you have any questions or problems with installing this service pack, contact [support@inmagic.com](mailto:support@inmagic.com).
