

Inmagic Genie v3.30 Service Pack 1 details document:

Purpose: To address the following issues:

- Accessibility improvements (section 508) [SPR 6671, etc.]
- Improved performance for Catalog full display [SPR 6748, 6767]
- Line breaks restored (instead of semicolons) in specific labels and routing list reports [SPR 6669, 6731]
- Field labels no longer repeat in e-mail sent from the Cart [SPR 6713]
- More informative error reporting on checkbox reports [SPR 6651]

Also to implement the following new features:

- Support for adding print reports to the Cart action list [SPR 4969]
- Five-minute session timeout warning for edit screens [SPR 5715]

Installation instructions for applying Genie v3.30 Service Pack 1:

1. Please have all users exit Inmagic Genie before applying this Service Pack.
2. Select and click the Genie33sp1.zip link to download and save the Service Pack to your hard drive.
3. Unzip Genie33sp1.zip to a temporary folder and run Setup.exe.
4. When prompted for the installation folder, browse to the folder that contains your Inmagic Genie software and click "Next".
5. Click the "Finish" button when Setup is complete.

If you have any questions or problems with this service pack, please contact support@inmagic.com.
